

82' - 60 Passenger Luxury Motor Yacht

Our 82' beautiful power yacht. Originally built in 1987 by McQueen Boat Works as a personal luxury yacht. Quiet Heart can accommodate up to a total of 60 guests, or approximately 29 guests seated for a dinner cruise or reception. She is a full service yacht capable of providing complete catering services and a fully stocked bar for your event. If you've ever wanted to live the "Hollywood lifestyle", this charming pleasure yacht is the ultimate way to do so.

She is ideal for small to midsize parties and events with a warm atmosphere. You and your guests will experience the excellent service, food, and views that are provided by a courteous and professional US Coast Guard licensed captain and crew. Hosting your party or event with us will be like hosting a party on your very own luxury private yacht. With leather lounge furniture, open air decks, classic new interiors, and it's own full size galley, she has charming sophistication for even the most discriminating guests.

She has a very well appointed upper deck for seating up to 29 guests for a deliciously prepared meal served by professional crew. Plan your party with us, come aboard and leave the rest to us for an unforgettable event. With more than enough comfortable seating and space to move about for up to 60 passengers, Our staff assures you a smooth and comfortable cruising experience while taking in all the sights of San Diego Bay with close friends or family.

As a private yacht charter, you'll be assured outstanding professional service and personal attention. Whatever your occasion to charter a private yacht from San Diego Bay Cruises, We are ready to accommodate your event and your guests. Our luxury yacht comes equipped with all the comforts of home in a floating package of luxury.
